## DO YOU GET UP WITH A LAME BACK?

### Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospitals, work, in private practice, among the helpless, too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## ONE FULL QUART OF WHISKEY FREE

We know the meaning of words and will do as we say. We claim to be the lowest-priced Whiskey House and the largest Malt Order Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here wouldn't tolerate it if they knew how—they are too honest. Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less water than any other concern. "Casper's 11 Year Old" Whiskey is a liquid gold. It's made by honest people in the mountains of North Carolina, in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is sold at \$5.00 to \$6.00 per gallon, but it's not any better than "Casper's 11 Year Old." It must please or we will buy it back. We have a capital of \$50,000, and the People's National Bank and the Federal Savings Bank of this city will tell you our word is good. To introduce this old, honest whiskey, we offer four Full Quarts of "Casper's 11 Year Old"—two sample bottles, one 15 one 18 year old—a cork screw and a drinking glass—all for \$2.95. If \$2.95 is sent we will double the above and put in free One Full Quart Extra. We have some of this whiskey only 1 year old, and will send five-gallon keg for \$10 or will furnish twenty full quart bottles on receipt of \$1 and give free corkscrews, drinking glasses and samples, making this whiskey cost less than \$2.50 per gallon delivered. We ship in plain boxes with no marks to indicate contents, and Prepay all Express, Shippers West of Texas, Kansas, Nebraska and Idaho must add 5 cents per quart extra.

## OIL NOTES.

From the Campton Courier.]

Work in the field is almost at a stand still on account of the condition of the roads, it being almost impossible to move any of the heavy machinery used in the drilling of wells.

We predict however, that with the coming of dry weather, the Campton oil field will show activity such as is not in any other part of the State, and with it we have the knowledge that the changes are for the good of the men spending the money, as the field shows better with each well completed.

The well being drilled on the Isaac Tolson farm by The Kentucky Oil, Coal & Lumber Co., is showing so far, as good as any in the field.

The well on the Lewis Campbell farm has been held back with bad fishing jobs, the tools being in the hole through the breaking of the cable. They succeeded in getting them out, and are now going down with good speed.

The well on the Quillin Heirs' property is due in the sand this week and should it come in a good one, will add to the size of the field in acres to a large extent. Located as it is, outside of present development, is a very important well and is watched closely by all with a great deal of interest.

Loman & Wible have the timber and the lumber on the ground for their No. 2 well on the Cain Duff farm and the rig will be built at once.

Sam Spencer is building a rig for Hise & Wilson on the J. T. Alexander farm and will complete this week. T. M. Beckett will commence drilling at once, soon as the rig is ready.

Timbers, rig, iron etc. are on the ground for the rig on the L. C. Shull farm and work will be started as soon as lumber can be placed there. H. G. Welsh & Co. leased this property and will push matters to completion as fast as bad roads will permit.

Beckett, Isaman & Co., should finish No. 1 on the Noah Wyatt farm next week. The same Co. shot their No. 1 well on the Wm. Cundiff farm and have about an average size well.

The well on the Dug Evans farm shows some salt water, but when cleaned out will make a fair producer.

The Pontiac Oil Co. shot their No. 1 well on the S. B. Smith farm last week and are now cleaning it out and getting ready to pump it.

Byrd & Stamper will finish their No. 1 well on the Wm. Roberts farm next week.

The pipe line men have their line clear and are now taking all the oil produced.

The wells now pumping throughout the field show staying qualities of the best and while not of the gusher variety, they are good ones and money makers for the owners.

Several new men from Pennsylvania and West Virginia are here, all are looking for territory to drill and are ready to invest their money when acreage can be found that will justify it.

## Strikes Hidden Rock.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talladega Springs, Ala., writes: "I had been very ill with Pneumonia, under the care of two doctors, but was getting no better when I began taking Dr. King's New Discovery. The first dose gave relief, one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at all druggists. Price 50c and \$1.00. Trial bottles free.

THE HERALD 50 cents a year.

## Neuralgia And Other Pain.

All pain in any disease is nerve pain, the result of a turbulent condition of the nerves.

The stabbing, lacerating, darting, burning, agonizing pain that comes from the prominent nerve branches, or sensory nerves, is neuralgia, and is the "big brother" of all the other pains.

Dr. Miles' Anti-Pain Pills rarely ever fail to relieve these pains by soothing these larger nerves, and restoring their tranquility.

Dr. Miles' Anti-Pain Pills leave no bad after-effects, and are a reliable remedy for every kind of pain, such as headache, backache, stomachache, sciatica, rheumatism and neuralgia.

They also relieve Dizziness, Sleeplessness, Nervousness, Car-Sickness, and Distress after eating.

"For many years I have been a constant sufferer from neuralgia and headache, and have never been able to obtain any relief from various headache powders and capsules, until I tried Dr. Miles' Anti-Pain Pills. They always cure my headache in five minutes time." FRED R. SWINGLEY, Cashier 1st Nat. Bank, Atkinson, Neb.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

ed earnestly and energetically for  
the success of the Democratic party  
in county, state and national  
races. He has not only given his  
time but used his money for its  
success. For 11 years he was Cir-  
cuit Court Clerk of Morgan county,  
and in that capacity, coming  
constantly in contact with the citi-  
zens, he acquainted himself with  
their needs in the way of laws, and  
should he be the nominee and suc-  
ceed to election he will go to the  
capital as well equipped to serve  
the people as any man who ever  
filled the place. Realizing that the  
Democratic party will accord him  
the justice his eminent services in  
the past entitle him to, we leave  
him in its hands.

## Startling Mortality.

Statistics show startling mortality,  
from appendicitis and periton-  
itis. To prevent and cure these  
awful diseases, there is only one  
reliable remedy, Dr. King's New  
Life Pills. M. Flannery, of 14  
Custom House Place, Chicago, says:  
"They have no equal for Consti-  
pation and Biliousness." 25c at

To the Democrats of the Wolfe-  
Morgan district: In THE HERALD  
of last week I announced my candi-  
dacy for Representative from the  
91st Legislative district. But I  
have since concluded, for personal  
reasons, to withdraw. However,  
in doing so I want to assure every-  
body, and the Democratic party  
in particular, that I am tied to no  
man. I thank my friends for the  
promises of fealty made me, and  
shall ever hold them in grateful  
remembrance. Wishing the Dem-  
ocratic party success, and promis-  
ing my humble aid to that end, I am,  
Faithfully, &c.,

## Incredible Brutality.

It would have been incredible  
brutality if Chas. F. Lemberger,  
of Syracuse, N. Y. had not done  
the best he could for his suffering  
son. "My boy," he says, "cut a  
fearful gash over his eye, so I ap-  
plied Bucklen's Arnica Salve,  
which quickly healed it and saved  
his eye." Good for burns and ul-  
cers too. Only 25c at all druggists.

the building, but it was not until  
the officers started to open the  
bank for business that the at-  
tempted robbery was discovered.

## Deafness Cannot Be Cured

by local applications, as they can-  
not reach the diseased portion of  
the ear. There is only one way to  
cure deafness, and that is by con-  
stitutional remedies. Deafness is  
caused by an inflamed condition of  
the mucous lining of the Eustachian  
Tube. When this tube gets in-  
flamed you have a rumbling sound  
or imperfect hearing, and when it  
is entirely closed deafness is the  
result, and unless the inflamma-  
tion can be taken out and this  
tube restored to its normal con-  
dition, hearing will be destroyed  
forever; nine cases out of  
ten are caused by catarrh, which  
is nothing but an inflamed con-  
dition of the mucous surfaces.

We will give \$100 for any case  
of deafness (caused by catarrh)  
that can not be cured by Hall's  
Catarrh Cure. Send for circulars,

## Farmers, Attention.

All farmers of Wolfe and Mor-  
gan counties should attend the  
meeting here on Saturday, March  
the 18th, to discuss the propriety  
of raising broomcorn, for which,  
with the opening of a broom fac-  
tory in connection with the acce-  
my there will be a good market.  
Every farmer can increase the re-  
venue of his farm by raising a few  
acres of broomcorn. Once they  
embark in the enterprise they will  
find easy money from it. Broom-  
corn does not require a specially  
prepared soil, but any land of av-  
erage fertility will produce a fair-  
ly good crop. To have to bale and  
ship broomcorn a considerable dis-  
tance might not pay a big divi-  
dend upon the capital and labor  
necessary to produce it, but with  
a market right here guaranteed to  
purchase every pound produced at  
a paying price, it does seem to us  
that it would be suicidal to let  
such an opportunity slip away.  
Really, it is almost equal to a  
gold mine with a smelter at hand.  
Come in at the time appointed and  
talk about it. Prof. Cord will  
have something to say.

### A Sad Death.

The death of Mrs. Rebecca Nickell, wife of Nelson Nickell, which occurred Thursday night of last week, considering many circumstances, was one of the saddest it was ever our lot to chronicle. She leaves besides her husband ten children, nine of them at home, and three little boys are under six years of age. Of the ten living children only one is a girl, and she just 10 years of age the day before her mother died. Upon her devolves the care of the little boys and the duties of housekeeping as well, and she is said to be a wee small thing. Imagine one so little and so young with such responsibilities. But if she masters the situation she will indeed be a little heroine. Mr. Nickell has the sympathy of the whole community. Mrs. Nickell was 37 years of age; cause of death pneumonia in complication with child birth. Her remains were laid to rest in the Columbus Gillaspie graveyard.

### What Will Help You Will Help Me.

Having had sickness in our home all winter and having to neglect my shop-work has thrown me in a hard place. So I now appeal to those who owe me to come at once and settle up as Spring time draws near and I want to be able to help customers in the future by going to the city early and buying a nice stock of Millinery and Ladies' Furnishings. I shall have everything in my shop on sale for the next month at very low prices—lots of things selling at less than they cost me in the city. I do this to make room for fresh goods and to be able to pay my creditors. I trust that you will heed my appeal and come in and get the benefit of my low prices. Any and all of my winter stock is going at cost; also, Hamburgs, laces, etc., and in addition to this every purchaser of a dollar's worth in cash will be given a nice souvenir. Don't miss these offers but come and see about them.

Mrs. F. N. DAY.

Rev. Mark Collis, of Lexington, will begin a series of meetings at the Christian church in Hazel Green, next Monday the 13th inst. Many heard Mr. Collis when he delivered the dedicatory address of the Sarah K. Yancy Home January 19th, and will want to hear him through this protracted meeting.

## Every Two Minutes

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

## SCOTT'S EMULSION

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

The editor of this paper will endorse the honesty of the following paid local: In October, 1899, I, C. S. Mick, known as "KE-RO-TA, THE INDIAN MEDICINE MAN," came to Hazel Green and stayed two weeks, giving free shows every night, and selling my own make of medicine. The remedies were good, and did good for all my customers, and many of your people followed me to Campton, Jackson and Beattyville to get medicines that would cure them, and all were loud in their praise of the wonderful curative effects of the medicines they bought. I did more real good for my mountain customers than any other medicine man that has ever visited your community and I take this method to inform you that I am still alive, hale and hearty, and although nearly 68 years of age, feel like a youngster of 35. Myself and family (wife and two boys) live at Rock Island, Illinois, where I have my office, from which I ship daily to all parts of the United States the medicines that I make and have advertised for nearly fifty years.

**My Medicines Won't Raise the Dead.** But I still offer ONE HUNDRED DOLLARS REWARD for any of the following diseases that the use of my remedies fail to benefit and CURE TO STAY CURED—Consumption, Asthma, Rheumatism, Rapture, Tape Worm, Lost Manhood, Fits, Bed Wetting, Habit, any and all Female diseases, Spinal Disease, Lumbago, Kidney Disease, Catarrh of Head, Chronic Constipation, Indigestion, Stomach Trouble, Old Sores, Piles, Scrofula, Worst Blood Diseases, Necrosis or rotting of the bone, Big Neck, White Swellings, Nervousness, Heart Palpitation, Liver Troubles, Dyspepsia, Varicose Veins, Nervous Disability, any contracted disease, all diseases of men, lack of force, many waste, skin diseases, Eczema, Birth Marks, Old Sores, Fever Sores, Sores in Scalp, and many others.

**THE SECRET OF MY SUCCESS** is in the fact that I make my medicine out of Herbs, Bark, Berries, Gums, Leaves and Plants that I gather in the woods where they grow, and I am the only living white man that does this, and I make ONE MEDICINE for ONE DISEASE. On this plan my remedies do good for each person I deal with. Now, if you have chronic disease of any kind that your resident doctors have not and can not cure, write to me, describe your feelings and symptoms in your own way, name the true date and month of your birth, that I may know your age, inclose a 2-cent stamp for reply, and I will answer and tell just what I would have one of my own family use if either of them were similarly afflicted, and my price for the medicine. Then if you want the medicines write me, and put the price in the letter; register your letter at the postoffice, and on receipt of same here, I will ship you the very best medicines that can be had on earth, with full and complete directions how to use them, and when followed, a Positive Cure will result. Do NOT DELAY WRITING TO ME, as life is uncertain at my age, and to get my medicines YOU MUST WRITE TO ME WHILE I AM ALIVE. Address all mail like this:

C. S. MICK,  
THE MEDICINE MAN,  
ROCK ISLAND, ILLINOIS.

**SPECIAL DIRECTIONS.**—You can cut out the above printed address and paste it on your envelope, and it will be sure to reach me. (White of an egg makes a good paste).

**EXTRA SPECIAL.**—Be sure and tell me exactly how to direct my letter to you so as to reach you—WRITE YOUR OWN NAME PLAIN AND DISTINCT. If you get mail by rural free delivery, TELL ME SO, and give the number of the route, and you will quickly hear from me. All letters are strictly confidential, and are opened by me in person. So talk plain and tell me all. I can send you a remedy for any ailment, NO MATTER WHAT IT IS, and it will work like a charm. If you, reader, are not afflicted in any way, want you please call the attention of some suffering relative or friend to this notice, so that they can regain their health? By doing this you will be doing them a kindness, and use a favor at the same time. My prices are very low. To illustrate: I will send by mail 3 boxes of my Indian Herbs for Constipation, Indigestion and Liver and Stomach disorders, for only One Dollar. Each box is worth that. Always send money with your order.

### MURPHY FORK MINUTES.

Henderson Peyton and family moved in on Monday.

Doc Fannin's wife, of Ezel, is very ill with pneumonia fever, Dr. Asa Nickel attending.

Miss Lizzie Cecil was down with the grip several days last week and is better at this writing.

Kelse Murphy and Jim Blane were called to the bedside of one of their relatives, at Charleston, Ill.

J. H. Ferguson and John Ambren have moved their mill from Andy Toliver's place to Haney Branch, where they have a large amount of timber to saw.

Ben Murphy recently bought of his father, Uncle Harry, a tract of land adjoining that of Ben's home farm, for the sum of \$400, Rev. J. L. Ferguson acknowledging the deed.

Mort Cecil may fail to build a house for Vanderbilt. But he reared last week a comfortable little cottage near the spot where the recent fire took place. Mort is O. K. with carpenters' tools and rumor has it that he has taken lessons from Marion Davis.

Sam Wilson has just finished the painting on Henry Murphy's residence and it is a model job. With its body of dark apple green trimmed with white, and the handsome veranda decorated off with rich tints, making in all a scene of beauty not seen anywhere on the creek. Now is the time to consult Sam about your painting.

Mrs. Lizzie Cecil is proud of the fact that she possesses the handsomest crazy quilt of the day. The design was first planned in a home on the outskirts of Ezel and finally drifted on to this creek, and fell into her hands, who made a wonderful improvement on its beauty. All wishing to see it can step in at Mrs. Cecil's and they will be pleased at viewing this matchless work of art.

March 6 OLD HABEEN.

On February 22nd quite a crowd gathered at the home of Miss Artie Dye, the occasion being a social in honor of the boarders. Among them were Misses Mary Brennen, Dell Craven, Pearl Day, Hazel Ringo and Myrtle Davis, of this place, Stella Haney of Sideview, Mary and Lillie Swango of

Stillwater, and Emma and Lula Perkins of Lacy Creek; Rolly Cecil of West Liberty, Harlan South of Jackson, L. E. Smith of Tennessee, John Rose, Will and Fred Hurt, Jim Rose, Kit Phillips, Grover Greer and Breck Cruay.

### A Diabolical Deed.

Last October John May, a well-to-do farmer living about 10 miles from Beattyville, in Lee county, disappeared. On last Friday Joe and Fred Colburn were arraigned for trial before County Judge Robinson, when they confessed to the crime and implicated Henry Flinchum and his daughter Amy, who had married May, as instigators of the crime. One of the Colburns told of dragging May to a cliff, crushing his skull with a rock and then pitching him over the precipice, where his body was found. It appears that May's wife and her father plotted his death over before they were married, so that they could get possession of his property, and subsequently induced the Colburns to commit the murder and share in the plunder.

They were all held to grand jury without bail, and it is hoped they will each get the full penalty when they come to final trial. But any punishment the law inflicts is inadequate to the enormity of the crime.

## Dragging Pains

2925 Keeley St.,  
CHICAGO, ILL., Oct., 2, 1902.  
I suffered with falling and congestion of the womb, with severe pains through the groin. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

### Mrs. Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

For advice in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

In the suit of Mrs. Rosa Stamper vs. Mrs. Sidney Cable, for the possession of a house, Thursday, the speech made by Hon. T. P. Sewell is still assistant in the postoffice here. Notwithstanding his age, he is one of the most efficient assistants in Uncle Sam's service. He began his career as a U. S. mail carrier. Miss Martha Sewell, of Lane, is also an addition to postmaster Sewell's force. She is accommodating, painstaking and a young lady of rare attainments.

House rent here ranges from \$3.50 to \$50 per month. Every house in Campton that will furnish standing room for one person, is occupied. Houses are in such great demand, that "new comers" will live in tents during the good old summer time. It is impossible to buy enough ground to build a house upon, at anything like a reasonable price. If the land owners would price the lots within the reach of man, Campton would soon be a good sized town.
